

Fold to Commence Trading on Nasdaq on February 19, 2025

February 18, 2025

With over 1,000 bitcoin in its corporate treasury, Fold is building the financial products of tomorrow amid a wave of global bitcoin adoption

PHOENIX--(BUSINESS WIRE)--Feb. 18, 2025-- Fold Holdings, Inc. ("Fold"), a pioneering bitcoin financial services company, announced today that its common stock and warrants are expected to commence trading on the Nasdaq Capital Market on February 19, 2025 under the ticker symbols "FLD" and "FLDDW," respectively. As previously announced, in connection with the closing of its business combination on February 14, 2025, the company changed its name from "FTAC Emerald Acquisition Corp." to "Fold Holdings, Inc."

"We believe this transformative business combination better positions Fold to advance our vision of building a gateway to bitcoin-based financial services and expanding access to wealth creation for our customers," said Will Reeves, Chief Executive Officer of Fold. "We are excited to list on Nasdaq and look forward to continuing on our mission to expand access to bitcoin rewards and financial services as a public company."

About Fold

Fold is a leading bitcoin financial services company dedicated to expanding access to bitcoin investment opportunities through premium financial products. By integrating bitcoin into everyday financial services, Fold aims to make the American Dream available to more people. For more information, visit <https://foldapp.com/investors>.

Forward-Looking Statements

The information in this press release includes "forward-looking statements" within the meaning of the federal securities laws with respect to the anticipated benefits of the business combination. Forward-looking statements may be identified by the use of words such as "may," "could," "would," "should," "predict," "estimate," "plan," "project," "forecast," "intend," "will," "expect," "anticipate," "believe," or other similar expressions that predict or indicate future events or trends or that are not statements of historical matters. These forward-looking statements include the potential benefits of the business combination and the potential success of Fold's market and growth strategies. These statements are based on assumptions and on the current expectations of Fold's management and are not predictions of actual performance. Many actual events and circumstances are beyond the control of Fold. These forward-looking statements are subject to a number of risks and uncertainties, including: (i) changes in domestic and foreign business, market, financial, political and legal conditions; (ii) the failure to realize the anticipated benefits of the business combination; (iii) the effect of the consummation of the business combination on Fold's business relationships, performance, and business generally; (iv) the ability to implement business plans and other expectations after the completion of the business combination, and identify and realize additional opportunities; (v) the risk of downturns, new entrants and a changing regulatory landscape in the highly competitive industry in which Fold operates; and (vi) those factors discussed in Fold's filings with the Securities and Exchange Commission. If any of these risks materialize or Fold's assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. While Fold may elect to update these forward-looking statements at some point in the future, each specifically disclaims any obligation to do so, except as required by law.
